

Dear Makefield Orchestra Parents,

SmartMusic is starting up this week and in an effort to help make enrollment easier, I have put together links that should take you directly to the enrollment for your student's Smartmusic Classes! There are two: one is for the entire orchestra, one is for their lesson group.

Class 1 – Makefield Orchestra (everyone enrolls in this class)

<https://gradebook.smartmusic.com/enroll/class/116102>

Class 2 – Child's Lesson group (please see links below, and find the link that matches your child's lesson group designation)

Assignments are now posted for these classes! Once enrolled, you will be able to view and submit these assignment. Students have until the day before their next lesson to record and submit these assignments to me. I am happy to help and answer questions, however if you have a technical question or a question about your individual account or subscription, I encourage you to first contact SmartMusic directly to attain information and assistance. They can be reached at 866.240.4041. There is also a help document on our Makefield Orchestra Web Page at <http://pimdept.org/makefield-orchestra/>

Thanks!

Mr. Bailey
