

The Long Orange Line

Please print student's full name legibly: _____

The Pennsbury Marching Band is rich in tradition. Tradition only happens when the next generation, or in this case, year, assumes the responsibility, and above all, the work ethic, to maintain and hopefully exceed the standards set by the previous year's members.

I have read the 2017-2018 Marching Band Handbook. I accept the terms and conditions, and I want to be in the Pennsbury Marching Band. I will abide by all rules, regulations, and I will follow directions set forth by Mr. Mazzeo, the entire staff, chaperones, and officers.
